## EDUCATION

---

**Hampton School** (England, UK): *2017 - present*

- **GCSE:** English Language, English Literature, Maths, Further Maths, Computer Science, Design Engineering, Physics, Chemistry, Biology, Geography, and French (*All 9s*)
- **A-Level:** Currently studying Further Maths, Maths, Computer Science and Physics (1<sup>st</sup> year)
- **Other:** Rugby 1<sup>st</sup> Team, Tennis Squad, Silver Arts Award with Trinity Award, Duke of Edinburgh Silver Award, School Tennis Award 2019, Silver Senior Maths Challenge 2022, Bronze UK Linguistics Olympiad 2023, Advanced to Oxford University Computing Challenge 2023

## WORK EXPERIENCE and COMMUNITY SERVICE

---

**Southfields Lawn Tennis Club, Assistant Tennis Coach** (*Summer 2021 & 2022*):

- Trained a cohort of over 50 young players and worked with a team of coaches to help develop technical skills and encourage learning of the core values of sport. Used skills including communication, engagement, organisation, and collaboration.

**Online Work Experience:**

- **Peter Jones Foundation** online work experience for Entrepreneurship
- Completed weeklong courses in Technology, Engineering, Marketing (with The Chartered Institute of Marketing) and Finance (with HSBC) on the Springpod Platform

**Barnes Rugby Club Charity Projects** (*April 2020 – present*):

- I partook in two different charitable efforts including the Barnes Big Build, and the Barnes Big Lift. During these projects I have helped to construct an outdoor gym trail for the local community, together with other members of our club.

**Tutoring and Mentoring:**

- Private Maths and English 11+ Tutor for Year 5 and 6 students (*2021 – present*)
- Computer Science GCSE Mentor for Year 10, and 11 Students at Hampton School (*2023 – present*)
